COLE BANJOS

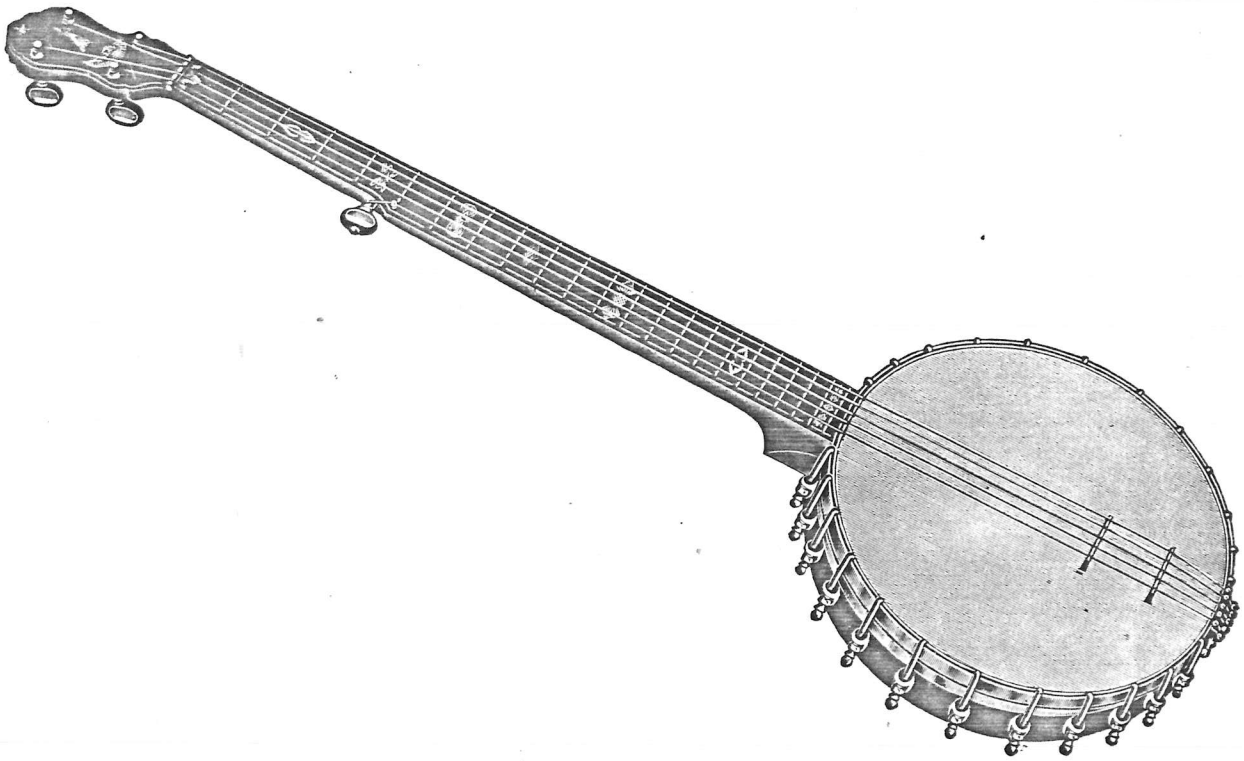
No. 2500 Price, $37.50

"COLE'S ECLIPSE"

3 octaves, 11-inch sectional maple rim, lower outside half and interior finely ebonized, satin finish, upper half covered with fine German silver, nickel plated, in the upper edge of which is spun a fine steel wire, resting on steel pins driven into the wood, connecting with a steel wire concealed in the rim, giving a metal connection which transmits all the vibrations of the head through the rim. Heavy nickel plated straining hoop, with grooved top, 24 oblong brackets, with safety and inside hexagon nuts, finely nickeled. Artistic mahogany neck, French polished. Ebony veneered peg head, inlaid with beautiful pearl star. Heavy ebony finger-board, 22 German silver raised frets, positions inlaid with handsome engraved pearl designs. White bone string nut. Universal friction pegs, with white buttons. "Sure-grip" tailpiece, nickel plated. Genuine Rogers calf head. Little Giant neck adjuster. Equipped with 2 Cole bridges, to be placed in position as shown in cut. Strung with finest quality strings.

Cole "Eclipse" Banjos are unsurpassed for tone, unequaled in workmanship, endorsed by Professionals in every country, and never leave the Factory without Mr. Cole's personal inspection.

COLE BANJOS



No. 3000 Price, $46.25

"COLE'S ECLIPSE"

3 octaves, 11-inch sectional maple rim, lower outside half and interior finely ebonized, satin finish, upper half covered with fine German silver, nickel plated, in the upper edge of which is spun a fine steel wire, resting on steel pins driven into the wood, connecting with a steel wire concealed in the rim, giving a metal connection which transmits all the vibrations of the head through the rim. Improved double grooved straining hoop, nickel plated. 24 oblong brackets, with new style protection nuts, inside hexagon nuts, finely nickeled. Artistic mahogany neck, French polished. Ebony veneered peg head, inlaid with beautiful pearl designs. Heavy ebony fingerboard, 22 German silver raised frets, positions elaborately inlaid with handsome engraved pearl designs. White bone string nut. Universal friction pegs, with white buttons. "Sure-grip" tailpiece, nickel plated. Selected genuine Rogers calf head. Little Giant neck adjuster. Equipped with 2 Cole bridges, to be placed in position as shown in cut. Strung with finest quality strings.

Cole "Eclipse" Banjos are offered with the distinct understanding that if they are not in every way superior to any Banjos manufactured, the money paid us for them will be cheerfully refunded.

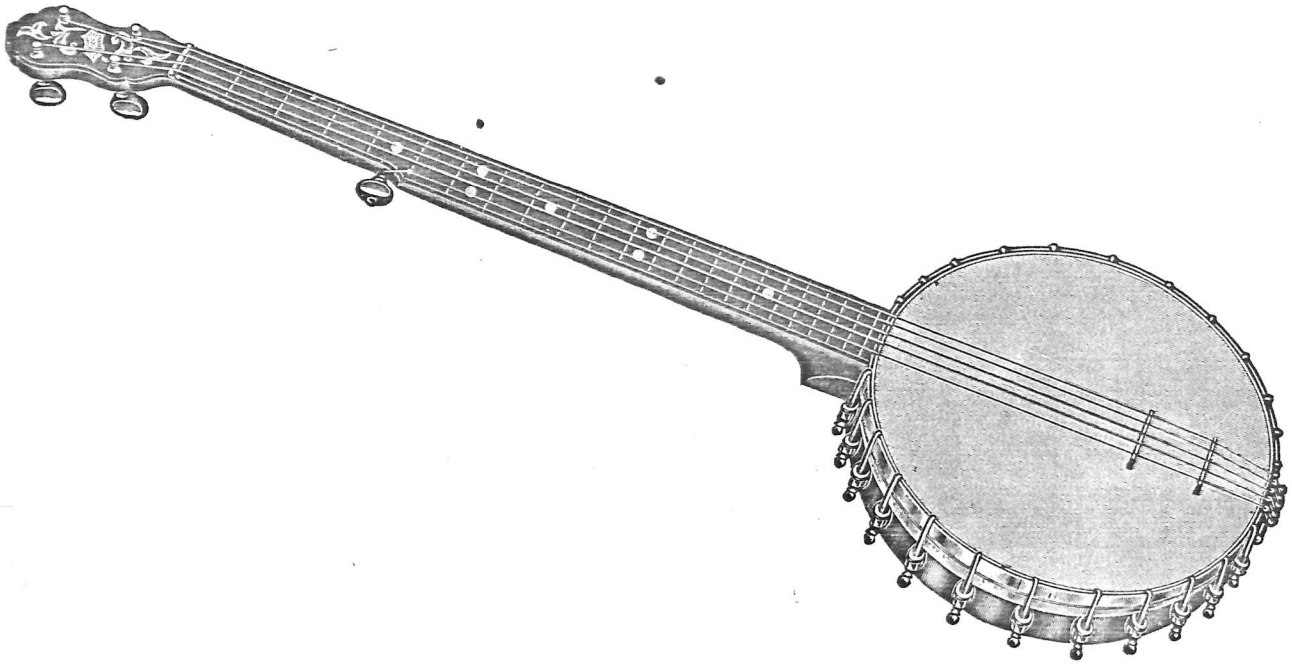
COLE BANJOS



No. 3500 Price, $55.00

"COLE'S ECLIPSE"

Professional Special. Rich, plain finish, very best material

3 octaves, 11-inch sectional maple rim, lower outside half and interior finely ebonized, satin finish, upper half covered with fine German silver, nickel plated, in the upper edge of which is spun a fine steel wire, resting on steel pins driven into the wood, connecting with a steel wire concealed in the rim, giving a metal connection which transmits all the vibrations of the head through the rim. Improved double grooved straining hoop, nickel plated. 24 oblong brackets, with new style closed protection nuts, inside hexagon nuts, finely nickeled. Mahogany neck, French polished, veneered below fingerboard with very hard fancy woods, insuring great stability. Peg head veneered with ebony on top and back, top tastefully inlaid with a beautiful pearl design, ebony veneer on back extending to a point down neck. Heavy ebony fingerboard, bound with white celluloid, 22 German silver raised frets, positions inlaid with plain pearl dots. White bone string nut. Universal friction pegs, with white buttons. "Sure-grip" tailpiece, nickel plated. Selected genuine Rogers calf head. Little Giant neck adjuster. Equipped with 2 Cole bridges, to be placed in position as shown in cut. Strung with finest quality strings.

Cole "Eclipse" Banjos must be seen and heard to be appreciated. The finish cannot be described accurately, and the tone cannot be told about in such a manner that the imagination can grasp the beauty of it.

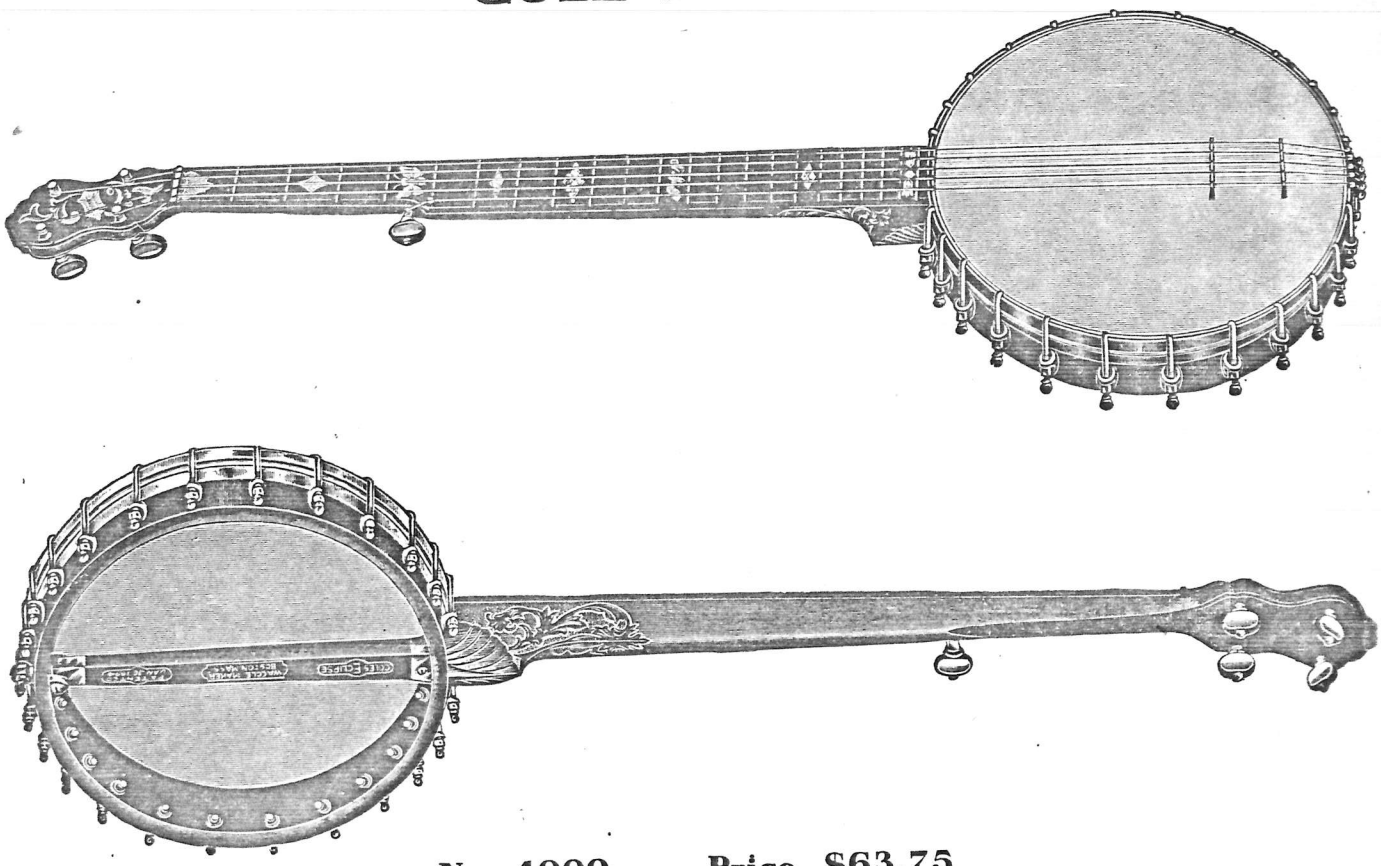
ECLIPSE BANJO

No. 5000

COLE BANJOS



No. 4000 Price, $63.75

"COLE'S ECLIPSE"

3 octaves, 11-inch sectional maple rim, lower outside half and interior finely ebonized, satin finish, upper half covered with fine German silver, nickel plated, in the upper edge of which is spun a fine steel wire, resting on steel pins driven into the wood, connecting with a steel wire concealed in the rim, giving a metal connection which transmits all the vibrations of the head through the rim. Improved double grooved straining hoop, nickel plated. 24 fine oblong brackets, flat steel hooks, with new style closed protection nuts, inside hexagon nuts, finely nickeled. Artistic mahogany neck, French polished. Peg head veneered with ebony on top and back, top inlaid with beautiful pearl design, ebony veneer on back extending to a point down neck, heel of neck handsomely carved. Heavy ebony fingerboard, 22 German silver raised frets, positions elaborately inlaid with fancy colored engraved cut pearl designs. White bone string nut. Universal friction pegs, with white buttons. "Sure-grip" tailpiece. Selected genuine Rogers calf head. Little Giant neck adjuster. Equipped with 2 Cole bridges, to be placed in position as shown in cut. Strung with finest quality strings.

Cole "Eclipse" Banjos for Professionals are exactly the kind the profession seeks. They have been imitated many times, but the imitations and the originals are about as nearly alike as pure Gold and Nickel.
